

Starting again tomorrow, my colleague Maisaa and I will be holding a community cafe on Thursday mornings from 11am to 11.40am for local residents to enjoy an informal chat and cuppa (see link below). You can just drop in and leave when you like or stay for the whole session, it's up to you. If you are new to Zoom you will need a device with a microphone and camera, most if not all smartphones should be suitable - just download the Zoom app. Here is a beginner's guide to Zoom: <https://www.learndevon.co.uk/findenrolcourses/>

We realise that daytime sessions are not convenient for some due to work, home schooling, or other responsibilities. Therefore, we will also be holding evening cafes with our CB colleagues Amy and Ebbie on Tuesdays at 6.30pm starting Tuesday 19 January. Most of these sessions will have a theme. On 26 January we will be talking about 'Our Favourite Exeter Walks' and on Tuesday 2 February the theme will be cooking with a focus on making preserves.

If you have any ideas for sessions please let me know. Perhaps you have knowledge/skills you would be happy to share with others?

The Zoom link for the morning cafe is below, this can be used for the next three weeks. If you would like to come along to an evening session please let me know and I will send you the link when it becomes available.
