## **Magdalen Road Covid-19 Traffic Changes Opinion Poll Analysis.**

In late September 2020 the S.L.N.A., with the agreement of the Magdalen Road Traders, issued an opinion poll to ascertain the opinions of the community of St Leonards towards the Traffic Orders implemented by DCC in the shopping street of Magdalen Road. A copy of the poll is in the attached document 'Opinion poll analysis final'.

The poll was issued in paper form to the shops for distribution, in newspapers distributed locally from the local newsagent and to 250 people on an email mailing list compiled two years ago.

There have been 938 online responses and 92 responses from the paper poll. After multiple entries and spoilt papers had been removed 990 responses remained to be analysed.

### **ANALYSIS.**

The graphs in the accompanying document speak for themselves.

### **COMMENTS.**

There are 3 files containing comments left by the respondents, any comments left on the paper responses have been omitted to save time and manpower, they may be incorporated at a later date:-

- i. 'Ideas for changes to existing'
- ii. 'Poll feedback. Future plans Negative comments'
- iii. 'Poll feedback. Future plans Positive comments'

These results will be presented to Devon County Council, Exeter Highways and Traffic Orders Committee members before the next meeting on 13th October. They will also be displayed on the SLNA website;
